## COUNCIL MATTERS

Council Meetings are open to the public and held at 6PM on the 3rd Thursday of each month in Council Chambers at the Village Office.

Municipal Planning Commission meetings are held prior to Council Meetings on as needed basis.

The regular meeting of Council for January 2022 will be held at 7PM rather than 6PM.

*Wishing you a very  
Merry Christmas and a  
Happy New Year*

# COVID and MASKS

The Village of Barnwell and Canada Post Office must follow all Provincial and Federal regulations regarding COVID protocols. At present, that means we have to ask everyone to continue to wear a mask and practice physical distancing.

We thank you for being both respectful and kind in response to our efforts to follow mandatory protocols.

## OPEN COMMITTEE POSITIONS

The Village has positions available on the following Committees:

- Parks and Recreation Committee
- Cemetery Committee

For information about the roles, responsibilities, and time commitment for each of the committees contact the Village Administrator at 403-223-4018.

Applications are available at the town office or may be downloaded from the website.

Applicants for the committee positions must be 18 years of age or older and be residents of the Village of Barnwell.

## Ken Anderson Memorial Park Upgrades

Over the summer the Village reached out for your feedback on possible upgrades to the Ken Anderson Memorial Park. You were very generous with your responses to our survey and with in-person meetings during Barnwell Days. We used that information to put together a project and apply for funding through a nationally competitive grant opportunity - Canada Healthy Communities Initiative.

Unfortunately, our application for that grant was not successful but we will keep trying to get this project funded and completed.

We'll keep you updated as information becomes available.
