

BARNWELL BLURB

CATS and DOGS

Reminder that dogs must be kept on leash and under the owner / walker's control when they are off your property.

The Village receives numerous complaints every year regarding cats.

We know it is hard to keep your cat indoors, but please remember that your indoor cat can cause damage to your neighbour's property when outside.

From dug up plants and missing song birds, to shredded fence posts and patio cushions, your sweet little kitty can be a bad guest when off your property.

Not to be too specific, but, anyone who gardens knows how unpleasant the evidence of a visit from a neighbourhood cat can be.

COUNCIL MATTERS

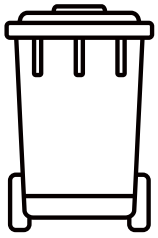

Council Meetings are open to the public and held at 6PM on the 3rd Thursday of each month in Council Chambers at the Village Office.

Municipal Planning Commission meetings are held prior to Council Meetings on as needed basis.

The regular meeting of Council for March 2022 will be held at 6PM.

Help your cat
be a good
citizen by
keeping them
indoors or on
your property.

Garbage Bin Reminders

- we live in a windy part of the world so if your bin is missing after pick-up, please check downwind for your bin
- avoid placing cardboard and other recyclables in your garbage
- ensure you completely close the lid of your bin
- To keep the streets and pathways clear, return your bin to your property as soon as you are able after pick-up

Recycling Bin Pro Tips

- rinse your recycling bin out now and then
- break down cardboard boxes
- rinse food containers
- separate material where possible

WHY WE WERE CLOSED ON THE AFTERNOON OF FEBRUARY 9th

It pains us to have to tell the community that on the afternoon of February 9th we were closed because of aggressive behaviour directed towards office staff.

We understand that many of you are frustrated during these difficult times, but directing that frustration towards our staff is inappropriate.

We are grateful to the vast majority of residents who have shown forbearance, understanding, and grace. Thank you.

It is our sincere hope that we can all move past this but it starts with kindness.

WAY TO GO BARNWELL!

We diverted 27+ tonnes of material from the landfill in 2022!
