

**CORPORATION OF THE VILLAGE OF BARNWELL
IN THE
PROVINCE OF ALBERTA**

**ICE ARENA
POLICY NO. 4-97**

Purpose

To establish a procedure for the use and maintenance of the ice arena.

Policy Statement and Guidelines

In this Policy

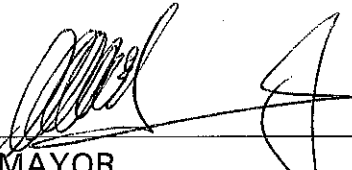

(a) "Ice Arena" means the arena in Willow Park, adjacent to 490 Willow Park Drive, directly west of the Kitchen Facility building.

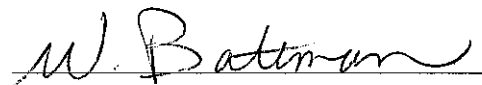

Because of budget limitations, the Village cannot update the equipment to flood the Ice Arena, and therefore, cannot guarantee flawless ice surface, however the following precautions will be taken:

1. The Village foreman or other delegated employee will inspect the ice surface at least every 72 hours, during those applicable times of the year, and make every reasonable effort to correct any noticeable flaws
2. The Village will not be responsible for any supervision of the ice arena at any time
3. The Village will post a sign(s) stating that the ice is NOT supervised, that skaters must skate at their own risk, and that there may be flaws in the ice.

The Ice Arena will not be flooded for use until that time of year that the Village Administrator and/or Foreman deems feasible or necessary, depending on prolonged sub-zero temperatures.
